**DEPARTMENT OF PUBLIC INSTRUCTION
2013-15 BIENNIAL BUDGET
DRAFTING REQUEST TO THE LEGISLATIVE REFERENCE BUREAU**

☒ Draft for Possible 2013-15 Budget Bill Introduction (*Agency Decision Item No. 7002*)

Subject: Appropriations to Continuing

Request Date: September 17, 2012

Agency Contact: Mike Bormett, 266-2804

Brief Description of Intent:

The department requests to modify two of its current appropriations by making them 'continuing' and 'all moneys received' instead of 'annual.'

Wis. Stats. 20.255 (1) (i) contains revenue from the sale of curriculum guides, a statewide school directory, and other publications created by the department. In recent years as staff throughout the department has been reduced, the department has been less able to create such documents, therefore causing a reduction in revenue. Because it is uncertain from year to year when new guides will be released and often times sales cross fiscal years, the department would like to change this appropriation to 'continuing' instead of 'annual.' This change would allow the department to continue work in the program more effectively.

Wis. Stats. 20.255 (1) (hj) contains revenue related to the administrative costs of issuing general educational development certificates and declarations of equivalency of high school graduation. In recent years, the department has collected fees in excess of its spending authority in this appropriation. This has resulted in the need to cover costs using a different funding source, thus, hampering the new funding source by the end of the fiscal year. Since the number of general educational development certificates and declarations of equivalency of high school graduation vary each year, the department would like to make the related appropriation 'continuing' instead of 'annual.' This change would allow the fees that are collected for this program to be re-invested in the program instead of occasionally remaining in the appropriation due to inadequate spending authority (and the department having to use other funds instead). Changing the appropriation to 'continuing' would allow the department to adjust the spending authority to reflect variances, as necessary, without needing to convene under s. 13.10, Wis. Stats.
